Interests

Coding I love coding. I love to code in different language like C , Python and want to learn languages like C++,Java and more.

AI & ML Since 2023, I have been in curious about AI and ML .That day onwards I become passinate about learning about AI.

Content Writing I make descriptive PPTs, Documents ,etc about Tech stuff .

Editing I have always enjoyed drawing since I was a child. Recently, I have started learning Figma (tool) to make differnt types of art like posters , banners, coverpages , animated videos and more.
